Tips to Save Money

- Do flight and hotel bookings in advance - do not wait for the last minute booking.
- Hostels are cheaper accommodation option.
- If your family/ partner is accompanying you or you need more privacy and comfort, take an apartment instead of hotel. Apartments are more spacious, cheaper and you have option for cooking (Eat out is expensive, save a great money by simple cooking).
- If you stay in a Hotel, try to book with the Buffet Breakfast inclusive plan. And if you stay in an apartment, buy some Bread/ jam/ fruits/ milk/ egg from nearby supermarket for your cook-free breakfast.
- International chain food outlets and street side fast food restaurants serves cheap food.
- Buying alcoholic beverages/ breakfast items from Supermarket is super cheaper.
- Buying unlimited public transport tickets for 5 days including Airport route is cheaper.
- If you have a public transport ticket for unlimited travel, then take Bus No 100 to visit all major attractions, without paying any additional cost. The bus route 100 runs through all major places.
